### Statement of Shared Understanding:

Red Barn Plants & Produce is committed to your satisfaction and to being your farm. Each box will include a wide variety of seasonal, fresh, local, organically grown produce totalling 5/9 bushel (or about a full paper grocery bag).

Mother Nature may have other plans, so there may be times when items aren't available. To mitigate this issue AND to offer more of a variety, we may include organically or sustainably grown items from other local producers. Our weekly newsletter will keep you apprised of this, as well as farm events and recipes. The first box of produce will begin the week of June 21st with the CSA running 19 weeks ending October 28th. With a total of 20 share boxes received. We have found that people like to have a choice sometimes on getting something they really like, so we are offering a box of your choice equal to one week. When your choice is available we will let you know and this will be added on to your regular pick up.

No refunds will be given during the season so if you are unable to accept a box for one or more weeks due to holidays or other event please give us an alternate name who will be picking up your box such as a another family member, friend or neighbour so that your share can go out to someone.

I, \_\_\_\_\_, agree to this shared understanding. \_\_\_\_\_  
(Please print your name.) (Please sign here)

Please tell us how you learned about our CSA: \_\_\_\_\_

Do you ?
